2025-2026 Full Armor Christian Academy Dress Code

The school dress code applies to all Full Armor students on campus and at school-related events, As a Christian, we must concern ourselves with our appearance. By our dress, we represent the feelings and thoughts of our hearts. This being the case, our clothing and the way we wear it, should represent our desire to please and honor God.

Key items to the FACA dress code are: neatness, modesty, and not drawing attention to one's self. On occasion, there very well could be situations where something not listed may have to be brought to the attention of the student. It is the parent's responsibility to be familiar with the dress code and to ensure that their children are in compliance each day.

All items should be maintained in clean and presentable condition without tears, excessive stains, or obvious disrepair. Additional dress days are designated by faculty and/or administration. It is important to note that if any questions arise, on any issue, the decision of the administration prevails.
